## ACKNOWLEDGEMENT

It is a matter of pleasure to acknowledge my sincere appreciation and respect to my respected teacher and research supervisor *Mr. Madhusudan Subedi* (Lecturer, University Campus, kirtipur), who provided me great advice and encouragement throughout the preparation of this dissertation. This study would have been incomplete and worthless without his generous inspiration, guidance and valuable suggestion. Whatever the expression would be less against the support and guidance, which I got in spite of his busy schedule.

I am extremely grateful to Prof. Om Gurung, Department Head, for providing the opportunity of dissertation writing. I would also like to extend my thanks to all the faculty member of Sociology/Anthropology Department who supported me to complete this research work from various means.

I would like to thank a lot to all of the respondents of the study area for responding the questionnaire with interest. Similarly, special gratitude goes to especially secretary of Narayanpur VDC for enthusiastic help.

I am highly grateful to my friend *Mr. Khusal Budhathoki* for his help, support and company while visiting different offices and respondents. Similarly, my brother *Mr. Indra Jit Mahara*, and all of my colleagues are unforgettable for their spiritual encouragement.

I am also very grateful to Central Library for providing materials relating to the dissertation paper when needed.
