ACKNOWLEDEMENTS

It is my great pleasure to submit this thesis for the partial fulfillment of my Master's Degree in Sociology, Tribhuvan University, Kirtipur, and Kathmandu, Nepal. The study on "**Economic changes of Cobblers of Khudi Khola Kaski**" has been completed under the intensive and constructive guidance, supervision, and continuous support for the completion of this work of Mr. Prem Chaulane.

I am highly obliged to Prof. Dr. Om Gurung, Head of the Central Department of Sociology/Anthropology (CDSA) for his co-operation. I would like to acknowledge all the faculty members of CDSA, Tribhuvan University for encouragement and valuable suggestions. I am grateful to the staff of the Lekhnath municipality; represent of ward no. 12 and the respondents and some other local people who have given me valuable information required for this work. I especially thankful to Mr.Surya Prasad Kafle and Mis. Babita Tiwari for providing related articles that helped to enhance the effectiveness of my study.

I like to express my sincere gratitude and regard to my parents Maina Tiwari, Padam Raj Tiwari and Rama Devi Tiwari, my brothers Mr. Ramesh Bastola, Sunil Tiwari, and Anil Tiwari for their affection, inspiration, and incredible support to precede my academic career. I also like to express my sincerest gratitude to my colleagues Mr. Ishwori Prasad Gautam, Mr. Punya Prasad Poudel, Mis. Anita Tiwari, Mr. Nabin Nupane, Mr. Lokesh B.K, and Mr. Thakur Gurung for their invaluable co-operation, encouragement and friendship from the beginning of my research work.

Finally, I acknowledge all those who have directly and indirectly assisted me in making this endeavor success.

Rajesh Tiwari
