## **ACKNOWLEDGEMENTS**

Research is both rewarding and challenging work. It would not have been possible to complete this research without valuable suggestions, guidance, support and inspiration rendered from various institution, individuals, friends and family members. I would like to express sincere thanks formally to all who helped to make this research possible.

I would like to express my heartily thanks to my supervisor Pro. PL Dash for valuable comments, guidance as well as inspiration and thanks for comment to external Madhusudan Subedi. I would like to thank to Cornell Nepal Study Program for providing me financial support to carry out my research.

I am indebted to the members of PLA for providing me information and permission to remain in the Ungha Cantonment during my research field work.

I would like to express my sincere gratitude to my friend Shila Adhikari, Bikash Neupane, Partik Sharma and other close relatives who have always supported me.

Paban Raj Devkota
