Acknowledgements

I am indebted to a number of people for their help with this project. First, express my deepest gratitude to my supervisor, Keshab Sigdel lecturer at the Central Department of English for his guidance, advice, criticism, encouragements, and insights throughout the research. His willingness to motivate me contributed tremendously in this research for its completion.

Thanks are also due to Prof. Dr. Anirudra Thapa, Head of the Central Department of English, for his friendly presence and approval of this research work in its present shape. Similarly, words cannot express my gratitude toward respected teachers at the department for their feedbacks, insights, and valuable suggestions.

Finally, yet importantly, I want to express my love and gratitude to my parents for their constant and lifelong support and encouragement. Most importantly, thanks to all my friends near and far who have been there for me through all the vicissitudes and help me to complete directly and indirectly. Innovative Computer Institute also deserves gratitude for its typing and other technical support.
