# ACKNOWLEDGEMENT

This thesis is the partial fulfillment of requirements for Masters Degree of Business Studies (MBS) and I have gained a lot of knowledge while preparing it. This thesis is of course the result of mine self endeavor and hard working but this would not have been completed with our helpful hand of intellectuals.

I am highly grateful and indebted to my honorable supervisor **Mr. Pritiraj Adhikari**, Lecturer and **Mrs. Snehalata Kafle**, Associate Professor, Shanker Dev Campus for their guidance, encouragement and possible help in the smooth conduct of this study. Thanks are also due to Tribhuvan University for providing opportunity to conduct this research and the staff of NIC Bank Limited, Machhapuchhre Bank Limited and Kumari Bank Limited for providing necessary data and information without which the completion of this research could be impossible.

I would like to express my profound gratitude towards all the teachers of the management. I am thankful to staffs of department library and Management .

I would like to thank my family for their generous support. I would like to thank my friend Binju Sitaula and Dinesh Karki, who helped me collecting the data.

Last, but not the list I would like to express my gratitude to my friend Mahesh Dumar, who helped me from beginning to end while preparing this thesis.
