ACKNOWLEDGEMENT

I wish to extend my deep sense of indebtedness to **Mr .Bisheshwor Man Shrestha** (Head of research department) and my thesis supervisor **Mrs. Snehalata Kalfe** who provided me valuable guidelines, insightful comments, encouragement and treatment to complete this thesis. This work never has been come out in the present from without his/her inspiration, valuable suggestions and guidelines. Similarly, I also wish to extend my sincere gratitude to all the teachers of Shanker Dev Campus, who encouraged me in my entire academic attempt as well as staff member of central library of TU who helped me in umpteen ways while preparing this thesis.

I express my heartfelt gratitude to my parents who always inspired me to complete this journey of higher education from the benchmark of my academic qualification that I had. Without their encouragement and inspiration my higher education could not have been fulfilled.

I would like to extend hearty thanks to Shulaxna Pandit, Kala Adhikari, Surendra Thapa and other friends, colleagues, staff of Shanker Dev Campus as well as the staffs of share department of EBL, for their support, valuable suggestion and advice which has greatly enhanced the value of this thesis.

Thank you.
