ACKNOWLEDGEMENT

This thesis prepared for partial fulfillment of the requirement for the Degree of Master of Business Studies is an outcome of continuous and immeasurable cooperation and support of several hands. I would like to express my heartfelt gratitude to all for their support.

I express my sincere honor and special sense of gratitude to my supervisors, Shree Bhadra Neupande and Rabindra Bhattaria, Shanker Campus, for their generous guidance, thoughtful encouragement and brilliant insight throughout this research work. I would also like to thank Professor Bishweshor Man Shrestha, Head of the Research Department, Shanker Dev Campus for his encouragement, inspiration, valuable comments and special guidance on the preparation of this study. Thanks are also due to Tribhuvan University for providing opportunity to conduct this research and all the staffs of Securities Board of Nepal and Nepal Stock Exchange for providing necessary data and information without which the completion of thesis could be impossible. Besides them, thank is also due to all the surveyed respondents for their enthusiasm in answering the questionnaire.

I appreciate the encouragement and enthusiastic support that I got from my friends. I am grateful to my family members for their encouragement and support throughout the course of study.

Ghan Shyam Neupane
