ACKNOWLEDGEMENT

The thesis entitled "*Mutual Fund Investment Analysis in Nepal*" is prepared in the partial fulfillment of the requirement for the degree of Masters of Business Studies.

I wish to express my deep gratitude to Professor Sneha Lata Kafle of Shanker Dev Campus for suggesting in this thesis paper and for her constant encouragement, patient guidance, valuable supervision and meticulous care from time to time discuss on several aspect of this research study. This thesis work would never have been completed with out her incisive observation that helped me a lot to get at the proper prospective and a clear insight. I record my deep sincere and deep sense of gratitude to her.

I am obliged to all my teachers without whom it could not have been possible to complete this thesis work. I also like to give thanks the all staff members of Shankar Dev Campus library, for their cooperation in preparing this thesis.

Also my acknowledgement goes to staff members of NIDC Capital market and Citizen Investment Trust of Nepal. I am also thankful to the concerned people of Nepal stock exchange and securities Board Nepal for their kind cooperation in providing me all necessary resources for the completion of this thesis work.

Similarly, I would like to express debt of gratitude to my family members for their continuous inspiration and support during the entire period of study.

Finally, I would like to thank known and unknown friends for their kind help, support and encouraging suggestion during the progressive phase of the research.

Laxmi Bhandari
