## ACKNOWLEDGEMENT

As the partial fulfillment of the MBS degree, I have prepared this report. During the course, I worked with sincerity, honesty and diligently, as far as possible. But beside my continual efforts, I also got unforgettable support from different people and parties. I am extremely grateful and overwhelmed by their support while completing my work.

For this dissertation, I would like to extend special thanks to my thesis supervisor Krishna Gautam. Despite his busy schedule, he has made significant contribution for preparing this thesis. The same credit also goes to Dr. Ishwor Gautam, head of the Research Department, Lumbini Banijya Campus. I am extremely indebted by their efforts.

I would also like to express my gratitude to all libraries staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis. My next thanks go to the staff of Agriculture Development Bank Ltd., Mainly Laxman Ghimire for providing me adequate materials and suggestions to complete my work more accurately and effectively.

Thank you!
