ACKNOWLEDGEMENT

I am pleased to present this thesis entitled, "*Brokering Services in Nepal Stock Exchange"*, for the partial fulfillment of the requirement for the Degree of Master in Business Studies (MBS) which could enhance the capabilities of students in the field of research work.

I am highly grateful and indebted to my honorable supervisor Rishi Raj Gautam of Shanker Dev Campus, Tribhuvan University for his guidance, encouragement and possible help in the smooth conduction of this study. I would also like to thank Prof. Bisheshwor Man Shrestha, Head of Research Department, Shanker Dev Campus, for his valuable suggestions. Thanks are also due to Tribhuvan University for providing opportunity to conduct this research and to staff of SEBON and to the respondents for providing necessary data and information, without which the completion of thesis could be impossible.

I extend my warm thanks to my family member and my friends for their continuous inspiration and support during the entire period of the study.

Finally I would like to express a warm regard to the entire concerned person who helped and directed me for the successful completion of my thesis.
