ACKNOWLEDGEMENT

This thesis has been prepared to fulfill the partial requirements for the degree of master of business studies (M.B.S.) T.U. Nepal. In the process of preparation of this thesis, I got a lot of inspiration co-operation and suggestion from various persons.

Firstly, I wish to express my respected thesis advisor professor Rama Kanta Bhattarai and Dr. Kamal Deep Dhakal of Shanker Dev Campus for their valuable support and suggestion in the process of preparation of the thesis. I am extremely indebted by their efforts despite of their busy schedule.

I like to express to all responding who have spend their valuable time for filling my questionnaire. I am very much grateful to the officers of Inland Revenue Department, Lazimpat, Kathmandu for their kind co-operation for my research work. It was things from where I could secure valuable experience. I am also thankful to the library of Shanker Dev Campus.

I would like to express thanks towards all the members of my family and friends who provided regular inspiration and continuous contribution for my success.

Thank you

Krishna Jung Thapa
