This research study on "Trends of Nepalese Stock Market" has been prepared to fulfill the partial requirement of master in business studies program. For this, I am greatly thankful to the faculty of management, Tribhuvan University for making thesis writing a compulsory in our course. This study has been primarily carried out under the supervision of Dr. Padam Raj Joshi, lecturer of Kailali Multiple Campus. Therefore I am extremely grateful to him for providing me with his invaluable suggestion, good guidance, encouragement and support for the successful completion of this research despite his busy schedule.

I am greatly thankful to the staff of security Board (SEBO/N) and Nepal Stock Exchange (NEPSE) for providing required data during the research period. Lastly, I would like to express my sincere gratitude to all the respected professors and lecturers of Kailali Multiple Campus for their kind co-operation and encouragement. I also acknowledge all of my friends for their help in different ways through out the preparation of the thesis.

I hope the possible errors would be covered by the subsequent studies in this field in future.
