ACKNOWLEDGEMENT

As the partial fulfillment of the MBS degree, I have prepared this report. During the course, I worked with sincerity, honesty and diligently, as far as possible. But beside my continual efforts, I also got unforgettable support from different people and parties. I am extremely grateful and overwhelmed by their support while completing my work.

My supervisor Mr. Krishna Gautam, Lecture of LBC had assisted me throughout the completion of this thesis and therefore I am very much indebted with his contributions. His assistance for this research work has been preferred to be very prudent and I would like to thank from the core of my heart. There have been considerable helping hands from many others personalities of the campus. In this regard, I would like thank campus Chief Dr. Ishwor Gautam for having assisted to provide necessary suggestions during my research work.

I am thankful to Lecture Mr. Krishna Gautam and other staff member of LBC for helping me to make final work more productive. The Liberians of the LBC will always be remembered for their assistance to provide me necessary documents relevant to my thesis. I wish to express my sincere thanks to all the staff members of NABIL and SCB Bank, Nepal stock exchange and security board of Nepal that provided me necessary data and ideas required for this study. Similarly, I would like to express debt of gratitude to my family members especially to my mom for her continuous inspiration and support during the entire period of the study. I would like to extend my thanks to my friend Mr. Kapil Kafle for his inspiration and co-operation during the entire period of thesis preparation.

I am thankful to Mr. Ramesh Chandra Ghimire for his kind support and Mr. Padam Ghimire for providing me Computer and necessary equipments to make this look productive and comprehensive. Finally, I am indebted to all associates who had contributed to make this thesis complete.
