ACKNOWLEDGEMENT

This thesis is the outcome of continuous and immeasurable cooperation and support of the several hands. With my sincere obligation, I express my deep sense of gratitude to all those who have helped me by extending and sharing valuable time, efforts, views and inspection in the course of completing this research work in the present form.

First of all, I am obliged to my supervisor Associate Professor Ruchila Pandey and Lecturer Dhruba Subedi, Shanker Dev Campus for their generous guidance, valuable comments, inspiration and encouragement on the preparation of this study.

I would like to express my genuine appreciation to the staffs of Shanker Dev Campus, Central Library staff and security board library staffs who help and provide me with necessary information and data. I also owe indebtedness to the authors and publishers whose work has provided me necessary guidance and invaluable materials for the enrichment of my research paper in all the way possible.

At last, my appreciation for the encouragement and enthusiastic support I get from my friends and colleagues in different ways whenever and wherever needed.
