## ACKNOWLEDGEMENT

I am very pleased to present myself as a researcher of this thesis as partial fulfillment of the requirements for the degree of Master of Business Studies. Accomplishment of this dissertation reflected a tremendous sense of freedom from attending any of the painstaking college lectures and academic examinations – as a layman states, a full stop in study. On the other hand, completion of this thesis encouraged me to undertake new ventures on original researches in the financial literature.

I would like to thank my supervisor **Mr. Kishwor Maharjan**, Associate Professor of Shanker Dev Campus, for his everlasting encouragement, guidance and support in completing this thesis.

I would like to express my genuine appreciation to all the staff of Nabil Bank Ltd., Himalayan Bank Ltd., Shanker Dev Campus, Central Library that provide me necessary information and data and also express my gratitude to the staff of various corporate bodies who bigheartedly made accessible the requisite information. I also owe an indebtedness to all reputed authors whose writings have provided me the necessary guidance and invaluable materials for the enrichment of my research paper in all possible ways.

Last but not least, my dedication is to my family members specially to my Mom Mrs. Rama Dahal, my Dad Mr. Ananta Kumar Dahal and my Husband Mr. Deepak Thapa for their intolerable hardships to uplift me to complete this research work.

I have tried to cover all the possible matters that I felt, important to sum up the “**A Comparative Study on Deposit Mobilization of Nabil Bank Ltd. And Himalayan Bank Ltd.**”. I am hopeful that this task will be helpful to the students of business studies & to those who want to make further research under this topic.
