ACKNOWLEDGEMENT

This study has been undertaken to assess the profit planning of commercial banks in Nepal under partial fulfillment of the requirement of Master's Degree.

I would like to express my profound sense of gratitude to my respected supervisor **Mr. Joginder Goet** for his continuous guidance and supervision. The report in this form is the result of his inspiring and invaluable guidance and supervision.

Any accomplishment entitles the efforts of many people and this is no different. In this regard, I express sincere thank to all staff member of Shanker Dev Campus and Central Library who helped me directly and indirectly in course of review of literature. Likewise, the staff of BOK, NABIL and SBI who helped me in secondary data collection and primary data as well. So, they also deserve the words of thank. My greatest debt is to all my family members, without whom this project report would have been impossible.

Likewise, I acknowledge my considerable debt to my colleagues Mr Shekhar Baral and Brother's Dhruba, Kishwor, Thakur & Kashinath and all others, who directly encouraged and helped me in many respects.

At last, regardless of the source, I wish to express my gratitude to these who may have contributed to this work, even though anonymously.
