ACKNOWLEDGEMENT

First, I would like to express my sincere appreciation to Patan Multiple Campus, Faculty of Management and Tribhuvan University for providing me the opportunity to act upon the topic.

It is my great privilege to complete the thesis under the supervision of Mr. Bishnu Gopal Khimbaja of Patan Multiple Campus, Tribhuvan University for the intellectual direction, supervision and inspiration during the preparation of this thesis. It would not have been possible for me to complete this research work without his guidance. Initiating a very new topic in the field of vegetable was a very challenging task for me. Previous thesis work in the field is very few.

I am very grateful to all the teachers and staffs of Patan Multiple Campus for providing me their valuable suggestions on selecting this research topic and helping me in various ways throughout research period in giving shape to my study.

I am thankful to professors and lecturers of Patan Multiple Campus, all my colleagues, staffs of the library and administration of Patan Multiple Campus, Central Library of T.U. and my family members who helped me directly and indirectly for completion of this thesis.

Sabina Dangol
