ACKNOWLEDGEMENTS

In course of preparing this study in partial fulfillment of the requirements for the Degree of Master of Business Studies, I found myself fortunate enough to obtain the excellent theoretical knowledge in Investor's attitude on financial instrument from different books, brochures and booklets.

I am grateful to, Head of Research Department, Patan Multiple Campus and also grateful to Campus Chief, Patan Multiple Campus for his encouragement to prepare this thesis and for his inspirations & suggestions.

This study would probably have not been completed in this form without the invaluable guidance of **Prof. Dr. Keshab Khadka**, Patan Multiple Campus, T.U.. It is my great pleasure to express my indebtedness to him for undertaking the supervision of my entire research work. I would like to express my deep sense of gratitude to him.

I am also very much grateful to the staffs of NEPSE, SEBO/N and Securities brokers, as well as those investor's who are professionally working in the sector of security market. These institutions and personnel greatly helped me to complete this study.

I also would like to express my heartfelt thanks to my dear brother Mr. Rajesh Maharjan and dear friends Mrs. Nani Maharjan, Miss. Nira Malla and Miss. Devi Bista So for their help in collecting required materials from different offices and valuable suggestions to complete this study.
