ACKNOWLEDGEMENTS

This study is attempted to examine the capital structure and rate of return of Siddhartha development bank Limited Kathmandu, from the available data and information of this bank. For easier study the data has been presented by tables, graphs and have been interpreted using various statistical methods. This report tries to focus on the study of Siddhartha development bank Limited only.

I express my heartiest gratitude to Dinesh Man Malego for guiding and inspiring me to this study. Similarly, I am equally indebted to all teachers, staff, Librarian of Patan Multiple Campus & Department of Management who helps me to prepare this thesis.

I would like to extend my sincere thanks to the staff of Siddhartha development bank limited for providing me related data, information and contribution in various ways. I owe special thanks to Mr. Kumar Shrestha of Siddhartha development bank for his valuable supports and helps.

Lastly, I would like to thank my colleague, family and all of those who helped me directly and indirectly by sharing ideas, giving valuable suggestions and encouraging me in writing this thesis and making this thesis possible.
