ACKNOWLEDGEMENT

I express my sincere gratitude to all the authors and learned personalities, whose writings have been cited in this study. I also express my sincere gratitude to those authors whose writings though are not cited but helped and inspired me in making my vision clear and reaching on conclusion.

I extend my deep sense of indebtedness to my respected supervisor **Prof. Dr. K.D. Manandhar** for his precious guidelines, inspiration and suggestion thoroughly during the period of this research. Without his valuable insight, I would not think of accomplishment of this thesis. I acknowledge my profound gratitude to the personnel of EBL, SCBNL, SBL, NABIL, BOK for the cooperation shown and providing necessary data.

I want to give thanks for the staff members of T.U. Central Library, Shanker Dev Campus Library who provided the reference and reading materials during the period of research.

Finally, I would like to express my sincere gratitude to all my family members, all my friends for their assistance, timely encouragement in every step.

Thank you.
