ACKNOWLEDGEMENTS

I am profoundly grateful to many people for their advice, support and assistance to complete this thesis. I am primarily indebted to my supervisor, Prof. Dr. Bihari Binod Pokharel for his invaluable guidance, support and encouragement throughout this study. This study would not have been completed in time without this intellectual and personal support.

I am also very much thankful to the personnel of Nepal Beema Samiti, NEPSE, Security Board of Nepal, Nepal Rastra Bank and Insurance Companies for providing data and general information, especially Mr. Purna Thapa of Beema Samiti, Mr. Shambhu Panta of NEPSE for their various support, valuable suggestions and active Co-operation to complete my work.

Finally, I am very much grateful to my family for their encouragement and moral & physical support during the preparation of this thesis. I express debt of gratitude my teachers, my friend Sanjay Shakya, other friends and my parents for their continuous support, help and inspiration in my study.
