ACKNOWLEDGEMENT

This research “Impact of Liberalization on Capital Market Development of Nepal”, which is a partial fulfillment of MBS, under the faculty of T.U., is based on research models involving the use of quantitative and qualitative models to find out the development position of Capital Market of Nepal.

First of all, I regard as it my dispensation and providence to get an golden opportunity to work under the able supervision of **Mr. Achyut Raj Bhattarai**, Associate Prof. and **Mr. Indra Sharma**, Lecturer of Shanker Dev Campus. Not with standing having abundant other assignments these dignities made me always believe that I have their exclusive consideration and good guidance all the time. Words fail me in expressing my gratitude to them. I also express my deep admiration to **Mr. Bishwoshor Man Shrestha**, Head of the Research Department of Shanker Dev Campus, whose valuable suggestions helped me to complete this work. I would also like to record my indebtedness to **Dr. Kamal Deep Dhakal** Campus chief of Shanker Dev Campus and my appreciated teachers.

I should furnish my trustworthiness to my friends Sita Bhandari and Achyut Acharya for supporting me during each and every stage of thesis writing.

Finally, I would like to express my genuine appreciation to the staffs of Administration and Library of Shanker Dev Campus.

At last but not least, my paramount dedication is to my family members who have been providing uninterrupted source of sustain for me during the tribulation of this work.

Mr. Laxman Acharya
Shanker Dev Campus
Putalisadak, Kathmandu
