ACKNOWLEDGEMENTS

The thesis entitle **PROBLEM AND PROSPECT OF MUTUAL FUND COMPANIES IN NEPAL** is prepared in the partial fulfillment of the requirement for the Master Degree of Business Studies. This thesis is for MBS program undertaken at the T.U. of Nepal. For this, I have been best owed with so many contextually grateful guidelines and suggestion from my teachers, friends and sample companies officials which have been a road-map for this study to reach its destination conceived from the beginning of the study.

I would like to express my heartiest gratitude and sincere thanks to my thesis honorable Supervisor Prof. Dr. Bihari Binod Pokharel, Chairman of research committee and Mr. Suresh Sapkota Lecturer of Nepal Commerce Campus, who encouraged me from initiation to completion of this task with his scholar guidance and profound comments and suggestion.

I gratefully acknowledge the cooperation and supports of those who have helped me in data collection. I would like to express my sincere thanks to the respondents of the questionnaire who helped me to collect the much needed primary data for this study.

Also, my special thanks goes to my wife Menuka Gautam for her constant support and cooperation regarding planning and editing this report.

Last but not the least, I am thankful to *Advocate Sujan Dhakal* for helping me in every steps of this thesis writing process.
