ACKNOWLEDGEMENT

As the partial fulfillment of the MBS degree, I have prepared this report. During the course, I worked with sincerity, honesty and diligently, as far as possible. But beside my continual efforts, I also got unforgettable support from different people and parties. I am extremely grateful and overwhelmed by their support while completing my work.

I would like to express cordial gratitude to my husband for his valuable suggestion and also to all my teachers, who taught me up to now. For this dissertation, I would like to extend special thanks to my thesis supervisor Joginder Goet. Despite his busy schedule, he has made significant contribution for preparing this thesis. The same credit also goes to Prof. Bisheshwor Man Shrestha, head of the Research Department, Shanker Dev Campus. I am extremely indebted by their efforts.

I would also like to express my gratitude to all libraries staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis. My next thanks go to the staff of Agriculture Development Bank, Mainly Miss. Nikku Acharya for providing me sufficient materials and suggestions.

Thank you!
