ACKNOWLEDGEMENT

This thesis entitled “*Profitability Position of Nabil Bank Limited*” has been prepared in partial fulfillment for the degree of Masters of Business Studies (MBS) under the supervision of Prof. Dr. Kamal Das Manandhar of Shanker Dev Campus.

I owe an indebtedness to all reputed authors whose writings have provided me the necessary guidance and invaluable material for the enrichment of my thesis in all possible ways. I am equally thankful to all those personalities who are directly and indirectly involved conducting this research and are associated with me in different capacities for this help, suggestions and encouragement. I am grateful to many individuals and institutions whose words have contributed to my understanding whether or not they are identified here or not.

Needless to say 'to err is human' and I cannot to the expectation. For any remaining error in the calculation and the description reported in this thesis are, of course, entirely my responsibilities. I hope the possible errors would be covered by the subsequent studies in this field in this future.
