## ACKNOWLEDGEMENTS

The present study has been prepared for the partial fulfillment of the requirement for Master Degree in Business Studies.

Firstly, I would like to pay thanks to my father and mother who headed me towards the light of education and path of truth. Due to their non-stopping effort for guidance, today I come in this position. So I would like to share the credit of my success with them. I'm really indebted by them.

After this, I would like to express my cordial gratitude to my all teachers of Post Graduate Campus, Biratnagar. For this dissertation, I would like to pay my sincere thanks to my thesis Supervisor and head of the Research Department - Dr. Khagendra Acharya. His incessant suggestion and guidance from the beginning to the end is really an appreciable effort, without his effort thesis would not have come out in this manner.

This thesis has also been influenced by a number of standard and popular textbooks, journals, articles etc. As far as possible, they have been duly acknowledged at the appropriate places.

I would also like to express my gratitude to all other members of Post Graduate Campus, especially, staffs from MBS department, libraries staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis. My next thanks go to NABIL Bank and Nepal Investment Bank Ltd., for providing me sufficient materials.

Last but not least I am greatly indebted by my all friends. In this regard, I'm grateful to my friends Mrs. Deepa Sanjel, Mr. Sagar Adhikari and Miss. Sirjana Dhakal for their motivational effort and support even though they have very busy hours.

At last, guarantee of perfection of the research work cannot be given. Errors if any come under my role responsibility. I would very much appreciate and sincerely acknowledge suggestions for further improvement of the research work.
