ACKNOWLEDGEMENT

Everyone should work hard to accomplish. I consider theses as a great accomplishment and am very glad that I have finally finished writing my thesis. Thesis is not like other examinations where we have to solve the questions paper within certain allotted time. We need to really work out the problems and come to certain conclusions all by ourselves. Hard work and concentrations are essential for completing thesis. But I am not only one who has worked hard because; there are many people who have helped me to complete the entire work.

At the time of preparing this study, I had consulted various personalities. So I would like to extend my sincere thank to all those works and ideas helped me in conducting the study. Sincerely, I would like to pay my sincere thanks to chief of Research Department **Mr. Rajeshwar Prasad Acharya** respected supervisors **Mr. Lalan Dwibedi, Dr. Deepak Shakya** of Thakur Ram Multiple campus and respected officer of NEPSE and SEBON for providing me required data for the thesis work and also to my friend Sunny Khatiwada. and Roshan Kumar Sah Their incessant suggestion and guidance is really an appreciable effort.
