ACKNOWLEDGEMENT

I express my profound gratitude to my respected teacher and thesis supervisor Achyut Raj Bhattarai, Associate Professor of Shanker Dev Campus, T.U., for his invaluable comments with continuous guidance and kind support to me all the way in this thesis.

I would like to express my gratitude to teachers, administrative staff and all the staff of Shanker Dev Campus Library who were very supportive and helpful to me.

I also owe an indebtedness to all authors whose writings have provided me the necessary guidance and invaluable materials for enriching my research paper in all possible ways. I am also gratefully indebted to all the staff of Butwal Power Company and Chilime Hydropower Company Private Limited for providing required data and information. Likewise, all the respondents are thankful for their suggestions and responding my questionnaire.

Needless to say “to err is human” and I cannot be the exception for any remaining errors in the calculation and the descriptions reported in this thesis are of course, entirely my responsibilities.

Finally, let me offer my profound gratitude to my parents and family members who inspired and helped me to uplift every step of my life. This study is an outcome of their heartily blessings.
