ACKNOWLEDGEMENT

First of all, I would like to extend my sincere gratitude to the Shankher Dev Campus management for permitting me in undertaking this study for the partial fulfillment of the requirements of Masters Degree of Business Study (MBS).

Concerning the actual carrying out of this study, I have left no stone unturned. I have came to prepare this research only because of several supporting hands. Despite my rigorous effort in this task, I find it pleasure to thank my respected teachers, friends and family members, without whose support, it would be impossible to make it a living reality.

I would like to pay my sincere thanks to my thesis supervisors **Shree Bhadra**Neupane and Krishna Prasad Acharya, Lecturer of Shanker Dev Campus, for their kind co-operation and invaluable suggestions until it got the complete shape. But, the words would be not enough to their never ending support and guidelines. Similarly, I am equally grateful to all my teachers, who always inspired me in preparing this thesis.

My special thanks go to my respected mother Sumitra Paudel who was always inquiring about my study and most importantly this research. I would like to thank my small brother Er. Sagar Babu Paudel whole heartedly, for designing it from top to bottom, despite his busy schedule at study. Mr. Binod Paudel is a part of this happiest moment, he always tried to inspire me get it completed at the earliest.

Thanks to my husband, Mr. Bhoj Raj Aryal, due to whose untiring efforts and full time support my dream came true. At the same time my little daughter Jeniva Aryal is innocent supporter to get it complete soon.
