ACKNOWLEDGMENT

At the outset, I would like to profusely thank all those who directly and indirectly toiled heavily, wished generously, and prayed sincerely for the successful completion of my Masters' program. I would like to place it on record the contributions made by a few individual and organizations who have made it possible.

I sincerely thank my supervisor Associate Professor Kishore Maharjan, Shanker Dev Campus, for his constant support, for his effective supervision, and for his guidelines on the successful completion of the present research work. I am ever grateful to Prof. Bisheshwor Man Shrestha, Head of Research Department, Shanker Dev Campus, for his valuable encouragement and mentorship while preparing this thesis.

Besides them, I whole-heartedly remain grateful to the personnel of the banks for providing me the necessary data, the respondents of the questionnaire for the keen interest in answering, the library staff of Shanker Dev Campus, Central Library, for providing me the references.

Finally, I would like to thank my family members, especially to my parents, my friends, and my colleagues for their constant support and inspiration while preparing this thesis.
