## **ACKNOWLEDGEMENT**

I Wish to express my thanks to my thesis supervisors Associate Prof. Achyut Raj Bhattarai and Er. Shankar Nath Adhikari who provide us valuable time to know important of Management Informational System in this computer era.

I select this research on behalf of Nabil Bank Limited , which provide a lot of service in economical sector regarding I just completed my research on the behalves of Card management system and other more information I collected when I was in this research writing process which makes me personal beneficial to my future work plan, how to design MIS .

I could not forward this report if Mr.Samir Sharma (Head Officer of Human Resource Management Department), Mr. Paras Kunwar (Operation Officer of Card Department) of NABIL Bank Limited would not helped me. So I would like to express a lot of thanks to all for providing me valuable information to complete this thesis. This credit also goes to my respected teacher Er. Shankar Nath Adhikari, who provide me valuable time for the research.

Others so many my friends Mr. Durga Prasad Dhakal, Sunil Tuladhar, Sojal Shrestha and other teachers, all family members who help me for the suggestions, recommendation and ideas for the research. Lastly, a lot of thanks to all of them who help me directly as well as indirectly and for their right suggestion at right time in right place for right decision.

**Surendra Shrestha**
