RECOMMENDATION LETTER

This thesis entitled **ORGANIC COFFEE FARMING IN NEPAL, "A case study of Kimdanda and Mareng VDC of Arghakhanchi District** has been completed by **Miss Shanti Sharma Acharya** under my guidance and supervision. This Thesis is the outcome of this own intensive and independent research work and has been prepared in the form as required by the faculty.

I recommend it for approval by the evaluation committee

.....

Prof. Dr. Pradeep Kumar Khadka

Supervisor

Head of Central Department of

Rural Development

Tribhuvan University

Kirtipur, Kathmandu

LETTER OF APPROVAL

This is to certify that the thesis entitled "**Organic Coffee Farming in Nepal**" **A Case Study of Kimdanda and Mareng VDC of Arghakhanchi District** written and submitted by **Miss Shanti Sharma Acharya** has been examined. It has been declared successful for fulfilment of the academic requirements toward the completion of Master of Arts of Rural Development

Evaluation Committee

ACKNOWLEDGEMENT

First of all, I'm heartily thankful to my supervisor, **Prof. Dr. Pradeep Kumar Khadka**, Head of Department, Central Department of Rural Development, whose encouragement, guidance and support from the initial to the final level enabled me to develop an understanding of the subject.

It is honour for me to express my gratitude to Dr. Umakanta Silwal, Dr.Candralal Shrestha, Dr. Prem Sharma, Dr. Mangala Shrestha, Mr. Suman Baskota, Mr. Ratnamani Nepal, who was ever helpful and encouraging me to become an M.A. in Rural Development. Besides, all the other teaching and non-teaching staffs of the CDRD deserve my sincere gratitude.

I owe my deepest gratitude to my parents **Mr. Bhumi Raj Acharya** and **Mrs Parbati Acharya**, who always encouraged me towards a head to get success and achieve the goal. I would also like to show my gratitude to my brothers Sanjay, Suwas, and Narayan, and my sisters Shrijana, Sangita, and Sandhya Acharya for their inspiration during my thesis writing.

I'm indebted to my colleagues to support me, Anu Radha Khanal, Rita Subedi, Ranju Gyawali, Krishna Raj Dhakal, Tara Raj Poudel, who constantly helped me to carry out this research.

My special thanks go to my uncle Salik Ram Acharya for his moral and academic support. As well as this honour goes to Farshuram Acharya, Shrijana Acharya, Gita Dhungana and respondents who provided necessary as well as valuable information and possible help to accomplished this undertaking. Lastly, I offer my regards and blessing to all those who supported me in any respect during the completion of the study.

Shanti Sharma Acharya

ABSTRACT

This study entitled "Organic Coffee Farming in Nepal [A case study of Kimdanda and Mareng VDC of Arghakhanchi District]" has been carried partial fulfilment for the degree of Master of Arts in Rural Development.

This study is based on both primary and secondary data. The Primary data have been collected from Kimdanda and Mareng VDC of Arghakhanchi district by applying simple random sampling method in year 2067. The secondary data have been used in the back ground of the study to know the impacts of organic coffee farming of district and national level. This study has been done to find out the impacts, present situation and identify the problems faced by organic coffee producers.

This study revealed that the impacts of organic coffee growers. This study has found that most of the organic coffee farmers are interested to organic coffee farming, but causes of many disease and insects in coffee, make them sad.

The farmers are suggested by the researcher, irrigation facility is so weak in the study area so there should be development of irrigation facility.

The DADO Arghakhanchi is suggested to identify the diseases and treat them, to soil, to provide training to the farmers. The ADB is suggested to provide cheap loan facility.

The government is suggested to ban the import of organic coffee from others countries, to control broker's activities, to manage organic coffee insurance facility through ADB to promote private public
