ACKNOWLEDGEMENT

First and foremost I am extremely happy to express my heartfelt indebtedness to my respected teacher Prof.Dr.Khagendra Acharya, Head of Department who inspired and advised me for this research study. I would also like to render my profound gratitude to my respected teacher Mr. Devraj Shrestha who showed me the path to go along my research work.

It is my pleasure to acknowledge the immense debt of sincere gratitude to my all teachers of the Department of Management of Post Graduate Campus and campus Chief Harihar Bhandari for their inspiring contribution.

I am grateful to the staffs of P.G Campus for making important support and helping me in various ways. I am indebted to my caring parents who have given opportunities to stand myself as a knowledgeable and empathetic citizen of the intellectual community of Nepal as well as my friends. I am obliged to all the staffs of Post Graduate Campus library, Birtanagar for providing library facilities.

I would like to thank publication department of Nepal Stock Exchange Limited for generously supporting my work with not only lending me the valuable data and making significant contributions.

I would also like to express my thanks to Anand Somani,Aafreen Azimi, Nikita Atal for helping me in computer related matters. Last but not least, grateful thanks are due to those whose names are not mentioned here, their kind supports and contribution, I will never forget.

Richa Chitlangia
