ACKNOWLEDGEMENT

I express my profound gratitude to my thesis Supervisor Mr. Rishi Raj Gautam, Lecturer of Shanker Dev Campus for his patience and valuable guidance and kind support to me all the way throughout this thesis.

I would like to thank the staff of Nepal Stock Exchange, Securities Board of Nepal, banks, Issue manager companies and brokerage firms for their continuous help in providing me necessary data concerning my study.

I also owe deep gratitude to all reputed authors whose writings have provided me the necessary guidance and invaluable materials for the enrichment of my research papers in all possible ways and my special appreciation goes to my friends Mr. Santosh Mainali and Naniram Sapkota for their continuous encouragement and help in completing this work directly or indirectly.

At the end, I would like to express special thanks to my parents and my wife Kabita Subedi without their help I wouldn't have been able to complete my research.
