ACKNOWLEDGEMENT

This study is mainly concerned with the Subscription of Corporate Securities in Nepalese IPO. The completion of the present study is a result of help and support of several hands. Therefore, I would like to express my heartfelt gratitude to all those respondents for their help and support.

First and foremost, I would like to express gratitude to my thesis supervisors; Dr. Geeta Pradhan, Associate Professor and Mr. Govinda Bahadur Thapa, Lecturer of Shanker Dev Campus for their precious guidelines and support to complete the thesis.

I want to extend my debtness to Securities Board of Nepal and respected companies who provided reports and study materials. Likewise, I am Thankful to librarians of Shanker Dev Campus, Central Library of T.U., who helped me providing necessary information and suggestions.

I would like to express my sincere thanks to my parents and family members, who always encouraged and inspired me continuously in whatever way it is possible.

Similarly, I am thankful to my colleagues Arun Dhungana, Hem Chaulagai, Damber Khatri, Dinesh Ghimire, Chandramani Dahal, Prasan Rijal and others for their cooperation, inspiration and encouragement.
