ACKNOWLEDGEMENT

It is a matter of great pleasure and satisfaction of a man to complete this study for the partial fulfillment of the requirements for the degree of Master's of Business Studies.

I am highly indebted to my thesis supervisor Dr. Puspa Raj Sharma, Department of Management, Prithvi Narayan Campus for his valuable suggestion and constant guidance. This thesis work would no have materialized at the present form without his incisive observation and intellectual direction in the course of the thesis. I express my sincere gratitude to him. I am equally grateful to him as the Head of Research Department of Prithvi Narayan Campus for his co-operation and motivation.

I would like to express special thanks to all my teacher Department of Management who help me in various ways during the research period.

I am also grateful to Nabil for providing necessary data and information. At last but not the least, I would like to express sincere thanks to my teachers for continuous inspiration and support during the entire period of the study. Thanks to all my friends for their encouragement, help and suggestion to make this thesis a success.
