## **ACKNOWLEDGEMENT**

The completion of this thesis is a matter of great pleasure for me. It is the fulfillment of the partial requirements for the Master's Degree of Business Studies as well as it helps to enhance the pragmatic knowledge on the subject matter. During the course of my study, I found myself fortunate enough to receive a great deal of help and pursuance from various persons and institutions. I express my whole humbles gratitude to all of them.

I gratefully express my sense of deep indebtedness to respected teachers as well as thesis supervisors, Dr. Prakash Neupane and Mr. Rajesh Kumar Paudel for their valuable suggestions and continuous co-operation throughout the period of this study.

I would like to express my cordial appreciation and sincere gratitude to my respected research advisors, Library members of Nepal Commerce Campus and TU Central Library and staff of Security Board of Nepal for their proper guidance and critical comments plus valuable suggestions.

Last but not least, my special thanks goes to my sister Mrs. Bhabani Sapkota, brother Mr. Anjan Raj Sapkota and other relatives who help me directly and indirectly attributes their effort to accomplish this thesis.
