## ACKNOWLEDGEMENTS

This Thesis is for the fulfillment of the requirements for Master Degree in Sociology of the faculty of Humanities and Social Sciences. To complete this Thesis various suggestions, guidance and forwarding stages granted by my respected teachers and other specialist who are highly acknowledge.

I express my sincerest gratitude to Dr. Keshav Kumar Shrestha, Associate Professor of Anthropology, T.U., whose kind supervision I could complete this work. I was always kindly guided whenever I happened to approach him.

I acknowledge my thanks to my Dad Ramlal Rajbhadari, Mum Manju Rajbhandari and Sister Barsha Rajbhandari for their encouragement and help to complete my study, without their inspiration I would not have been in this stage.

Moreover, my special thanks to my loving and caring life-partner Deepak Basnet who has bared my every difficulties in this thesis work.

My few words of appreciation should also go to the people of study area. Without their contribution, this research would not have completed and I would like to dedicate this study to them.

Finally, I would like to thank all my dear friends who have directly and indirectly assisted me to make my thesis work success. And I wish to thank Mr. Samrat Mainali for his computer assistance.

Dikshya Rajbhandari.
