AKNOWLEDGEMENT

I would like to extend my sincere gratitude to my respected teacher and faculty member Mrs. Sandya Basnet. I am able to complete my dissertation/thesis under her close and kind supervision. She is always being available when I approached her and very much impressive advices and suggestions were given to me during this thesis writing. It would not have been possible to complete this research work without her guidance.

I also like to express my sincere gratitude to all honorable lecture and head of department of sociology/anthropology Dr. Om Gurung who kindly helped me officially as well as personally from the department and I also would like to thank to (External examiner)

I would like to express many thanks to all key respondents for providing me information required. I also like to express many thanks to all my colleagues especially to my friend who helped me and to all members of my family and relatives who inspired me in many ways to cope up with all the difficulties during the entire period of study.
