## ACKNOWLEDGEMENTS

First of all, I would like to give the greatest thanks to my supervisor, Puspa Raj Sharma, Ph.d for his continuous support in the completion of my thesis. With his guidance and encouragement, this thesis has been able to come into a final shape, which I am greatly obliged. I would also like to express a sincere thank to all the faculty members during my time in MBS study.

I am very much grateful to members of Western Regional Library, Pokhara for providing me the materials that has, indeed, helped to complete this thesis on time. And I'm much obliged to the Officer and all the staff of Banks for providing the annual reports, office reports and relevant data that has shaped my undertaking promptly in a great deal.

Further, a special thank goes to all the friends who have come as a part of my life and have, from time and again, enthused me to go ahead over any circumstances I might be adhered with or whatsoever.

Lastly, my greatest love goes to my parents whose sheer hard time over many intrusions have reflected me see always ahead. And my warm love goes to Menuka as she has been a source of support for me to go along with a vigilant contour and understood the time I had firmly adhered with my undertaking of task.
