Acknowledgements

All the success is the result of contribution of some co-operative hands and a number of individuals have helped and encouraged me in various ways in completing this study. Though I may not be able to mention the names of all of them here, I wish to express my special gratitude to the following individuals.

First and foremost, I would like to express my profound gratitude to, Dr. Bishow Kallayan Parajuli, PN for providing me an opportunity to write the dissertation on this topic. Similarly, I would like to express my sense of gratitude to my supervisor Shanti Bhusal, Lecturer and head of Department of Sociology/ Anthropology, PN Pokhara for her valuable guidance and proper supervision. Of course, it would not be completed in this form without her proper suggestion, guidance & supervision.

I would like to extend my special thanks to all the staff member of central library, T.U. for their co-operation in providing me primary as well as secondary information during my study period.

I would like to express my gratitude to all the respondents and all the staff of Nepal Bank Limited (Head Office) for their cordial help.

Likewise, I extend my gratitude to Mr. Nirmal Sangroula for his continuous inspiration, encouragement and guidance to complete this dissertation. I would also like to express special thanks to Mr. Surya Thapaliya and Mr. Devendra Uprety for their help during data collection & editing of this thesis. I always appreciate for the valuable time and encouragement given by my mother-in-law, Lila Maya Sangroula to complete to complete this thesis. And last but not least, I also extend my deep appreciation to Kanchan Computer Sewa. New Road, Pokhara for finalizing my research work.

I am alone fully responsible for remaining errors and omissions if there are any in the thesis.

Shrijana Uprety (Sangroula)
