ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to **Prof. Dr. Kundan Datta Koirala** for his constant guidance throughout this thesis. His motivation and assistance at all times have been to immense value. Without his kind advice, support, guidance, constructive criticism, valuable suggestions and encouragement, this research work would not have come in this form.

I am also grateful to members of the Central Department of Management, Tribhuvan University, for permitting the use of all facilities available in the department. I also thank all the members of the Central Library, Kirtipur who have cooperated me with their helps.

I am highly indebted to the respondents of Kathmandu valley, who provided with valuable information about their views, desires and wants which was very important for this thesis.

I would like to express my sincere gratitude to my father and mother who always appreciate me to study. Also, I would like to thank my respected elder brother Prakash Nepal for his cooperation in whatever he helped me.

Finally, I wish to take all responsibility for any mistake, factual or editing errors, that this thesis might contain.
