ACKNOWLEDGEMENTS

This research work entitled “Behaviour of Nepal Stock Exchange Index” has been prepared for the fulfillment of the requirements of the degree of Master Business Studies.

I would like to express my profound gratitude to my respected thesis supervisor Hari Pathak, lecturer, Head of Finance Department, Faculty of Management, Prithvi Narayan Campus, Pokhara. I am extremely grateful to his invaluable guidance, support, inspiration and precious time for my entire work. This thesis work would not have materialized at the present form without his incisive observation and intellectual direction in the course of the thesis. I am equally grateful to all the faculty members of PN Campus. Also I would like to express my sincere thanks to all staff of Western Regional Library, Libraries of SEBON and NEPSE for providing required data during the study period.

I am gratefully indebted to my mother for her dedication and inspiration in journey of higher education. Heartly thanks to goes my husband Mr. Sabin Adhikari and all my friends specially Mr. Prashanta Shrestha, Mr. Ananda Poudel and Mrs. Bhgawati Thapa for their encouragement, help and suggestions to complete this thesis.

I would like to express my hearty thanks to Gateway Multiple Services Centre family, Nadiur, Pokhara and all the people who directly and indirectly helped me for the accomplishment of this work. Lastly, I am solely responsible for any errors present in this thesis.
