ACKNOWLEDGEMENTS

I have been able to give final shape of this dissertation with the help and assistance from different persons and institutions. First and foremost, I would like to extend my heartfelt thank to the Department of Sociology/Anthropology, Prithvi Narayan Campus and its chairperson Shanti Bhusal for providing me an opportunity and a favourable environment for the preparation of this dissertation. I am very much grateful to my dissertation supervisor Mr. Sarad Kumar Poudel, Teaching Assistant at the Department of Sociology/Anthropology, Prithvi Narayan Campus, for valuable and insightful guidance he provided in the course of preparing this dissertation. I also express my thanks to Dr. Biswo Kallyan Parajuli and all of the faculty members at the department especially Mr. Amrit Kumar Bhandari for their astute suggestions and advices they provided in the course of preparing this dissertation. I must thank Mr. Ishwor Shrestha also for typing and bringing this dissertation into this form through his sincere, skillful and professional computer works.

At last, I must express my sincere gratitude to all of my family members for helping me in all moments and courses I had to go through while preparing this dissertation.
