ACKNOWLEDGEMENT

In the fulfillment of the requirements of Degree of Master in Business Studies (MBS), this report has been made. Indeed such types of report writing are supposed to be the efficient measuring tools of what has been gained during the academic session. In fact, I would like to express my eternal gratitude to all the entire College family members for assisting me in such type of innovative and skill developing task which indeed is an ironic and significant for all the students. I felt that I indeed gain a lot that did certainly excel my efficiency during the study period. While preparing the report, I realized that the more we do research on material, the more we can enrich our knowledge. More importantly I would like to extend my propound gratitude to Campus Chief Mr. Kamal Deep Dhakal for guiding me and providing me essential instructions and valuable tips for the completion of this very thesis. I wish the very best for the betterment and progress of Shankar Dev College as it had provided me everything that a sincere student deserves.
