## ACKNOWLEDGEMENTS

Indeed, I am greatly indebted to my respected supervisor Associate Professor Surendra Mishra Central Department of Sociology/Anthropology Tribhuvan University for his creative comments, suggestions, advice, guidance and encouragement throughout the study period. His untiring help, guidance and practical suggestions inspired me to accomplish this work. Without his constant encouragement, I couldn't have been able to accomplish this research in this form. I extend my sincere thanks to the Tribhuvan University Faculty of Humanities and Social Science Department of Sociology/Anthropology for providing me such a chance of conducting thesis.

Mr. Yadu Nath Kandel (Resource Person of District Education Office Mugu) and Mr. Om Prakash Chaudhari (Science Teacher of Shree Bhawani Secondary School Purumuru, Mugu) deserve special thanks for their valuable suggestions, helping during sample selection and official data to verify the collected data.

Special thank goes to my friend Tejendra Bahadur G.C and Prakash Gaudel for their encouragement throughout the study period. I am very thankful to the staffs of Shree Bhawani Secondary School Purumuru, Mugu for generous support in the field. I couldn't stay without thanking Mr. Jharendra Bahadur Singh (Portfolio Manager of PAF Gyaneshwor, Kathmandu) for their valuable suggestions, and providing related documents and publications. I'm thankful to Krishna Rokaya, Manjesh Bam Malla and all those who directly or indirectly helped me during research work.

My deepest gratitude goes to my family who always encourages and inspires me to perform any work. I am indebted to support from my parents in every turn of my life. I owe all my success to them.
