Roll No.: 4114

ACKNOWLEDGEMENT

This thesis has been prepared to fulfill the partial requirements for the degree of Masters of Business Studies (MBS) of Tribhuvan University. This thesis is a result of lots of research, suggestions and supervision, so, my indebtedness and gratitude goes to many individuals who have assisted to shape this thesis in the present form.

I would like to express my heartfelt gratitude to my respected teacher, my thesis supervisor and Head of Department, St. Xavier's College, Mr. Shankar Thapa for his continuous support, encouragement and valuable suggestions to accomplish this report.

Similarly, I would like to express my gratitude to all teachers and staffs of St. Xavier's College, Maitighar and special thanks to my finance teachers Dr. Prof. Kamal Das Manadhar, Dr. Prof. Radheshyam Pradhan and Dr. Prof Manohar Krishna Shrestha for giving me a thorough theoretical knowledge in finance.

I am also grateful to my friends and staffs of NEPSE and SEBON for providing required data, documents, suggestions and guidance in preparing this thesis work.

Last but not the least; I would like to express my love and indebtedness to my mother, sister, brother and uncle for their support, love and inspiration.

Roshan Timilsina
Researcher
