ACKNOWLEDGMENTS

This thesis entitles “**Share price movements of financial institutions in Nepal**” has been prepared in partial fulfillment for the degree of Masters of Business Studies (M.B.S) under the supervision of Mr.Mahananda Chalise, Lecturer. This research work has been completed with the efforts and cooperation of different persons and it gives me immense pleasure to appreciate and acknowledge them.

First and foremost, I would like to offer special thanks to Mr. Mahananda Chalise for his continuous guidance and support during the entire thesis work. The successful completion of the work is possible only with his moral and technical support. I am most grateful, not only for the extreme care and attention he showed but also for his critical insights into the draft report.

I would also like to thank to my respected parents, husband Mr. Dinesh Yadav, my lovely daughter Riya Yadav and my brother Raj Shekhar Goit for their inspiration and supports in the preparation of this whole thesis work. I am thankful to the librarians of Central Library, TU Kritipur and Social Sciences Baha for their contribution.
