ACKNOWLEDGEMENT

This thesis is prepared and submitted to the Faculty of Management as partial fulfilment of the requirement for the degree of Masters in Business Studies (M.B.S.).

Writing this paper has been a unique experience altogether. Many helpful hands are involved to support me for preparing this thesis. Firstly I would like convey my most grateful thanks to my thesis supervisor **Prof. Dr. Madavraj Koirala** at Global College of Management who has immensely contributed their time and guide to me for the preparation of this thesis. Without their guidance and valuable suggestions, it would have been extremely difficult to bring it to fruition. I would also like to express my gratitude to Prof. Dr. Pushkar Bajracharya, head of Research department, Mr. Nar Bahadur Bista, Principal of Global College of Management and Mr. G.D Dahal, MBS In-charge of Global College of Management.

I would like to pay my sincere thanks to my all friends and my parents for their kind cooperation and encouragement that has always inspired me by giving suggestions and comments at an early stage. I also owe an indebtedness to all reputed authors whose writings have invaluable material for the enrichment of my research paper in all possible ways.
