ACKNOWLEDGEMENT

It is a great honour for me that Tribhuvan University gave me an opportunity to submit the thesis as a partial fulfillment of the requirement of the degree of Masters of Business Studies.

This thesis entitled, "**Dividend Policy of Commercial Banks of Nepal.**" has been prepared in partial fulfillment for the degree of Master of Business Studies (M.B.S) under the supervision of Mr. Deepak Lamichhane. It is my privilege of getting helps and co-operation from different persons. It is not possible to enumerate the names of all of them. However, it will be matter of injustice if I forget the names of those personalities whose valuable suggestions and co-operation escorted this thesis report.

First and foremost, I would like to offer special thanks to Mr. Deepak Lamichhane and Mr. Shankar Thapa, (Head of Department). I am very thankful to my friends for providing necessary suggestion during the preparation of thesis report. I could not remain without thanking to my teachers and lectures that all helped me during my study of MBS and during the preparation of this thesis report.

I especially appreciate my parents and all my family members who always gave their continuous inspiration, support and help.

I am very thankful to the librarians of St. Xavier's College, Central Library, TU Kirtipur for their kind co-operation. I am alone responsible for whatever weakness it may still contain.
